Plugging Bond for \$2500

Dear Mr. McKenzie:

Enclosed you will find original of above captioned bond duly executed by Mr. Goff. Please execute same for Fidelity and Deposit Company of Maryland and file same with the Colorado Oil and Gas Commission, furnishing us with a copy of your letter of transmittal.

Recently we wired the Colorado Oil and Gas Commission that we would execute this bond when forms were received, and such forms have just been received by Mr. Goff.

Yours very truly,
