General Comment:

This is an Abandoned Location Inspection, a Follow up to Insp Doc#680102306 Dated 9/21/17 for Five Wells, listed in Related Facilities, above. APDs were First Approved in 2005 for Encana; Permits Abandoned in 2017 by Berry Petroleum. It does not appear that these AL Wells were drilled on Location with Three Producing Wells; therefore these are Well Releases on an Active Location. CA from Previous Inspection has been Resolved as Permits for Wells were Abandoned 10/23/17. This is a AMI Inspection.
