General Comment:

This is an Abandoned Location Inspection, a Follow up to Insp Doc#680102302 Dated 9/21/17 for Six Wells, listed in Related Facilities, above. APDs were First Approved in 2006; Permits Abandoned in 2017 & 2018 by Berry Petroleum. It does not appear that these AL Wells were drilled on Location with Three Producing Wells; therefore these are Well Releases on an Active Location. CA from Previous Inspection has been Resolved as Permits for Wells were Abandoned 10/23/17 & 1/11/18. This is a AMI Inspection.
