Re: Exception Location Request to COGCC Rule 318A.a:
Northwest A wells: NWNW, Section 9, Township 1 South, Range 68 West, Broomfield County, CO

Dear Mr. Lepore,

Extraction Oil & Gas, Inc. (Extraction) is planning to drill the following 8 horizontal wells:

Northwest A S20-25-6N (Doc # 401504530), Northwest A S20-25-10N (Doc # 401504490),
Northwest A S20-25-7N (Doc # 401504531), Northwest A S20-25-11C (Doc # 401504524),
Northwest A S20-25-8C (Doc # 401504532), Northwest A S20-25-12N (Doc # 401504528),
Northwest A S20-25-9N (Doc # 401504533), Northwest A S20-25-13N (Doc # 401504529),

The surface locations of Extraction's proposed wells have been staked outside of the COGCC Rule 318A.a. Greater Wattenberg Area (GWA) Drilling Window. The surface owner has waived all location exception and setbacks under the COGCC, which includes Rule 318A.a., in the SUA. Please see the highlighted portion of the SUA on page 8, part (c) attached to the APD.

Extraction respectfully requests the COGCC to review the enclosed information and approve the requested exception location to rule 318A.a. for the Applications for Permits to Drill for the wells on the subject pad. This is the best location for the wells since the wells are outside of the buffer zone.

Sincerely,

Alyssa Andrews
Regulatory Analyst
Extraction Oil & Gas, Inc.
