Mud Log Report
Well Name: Main Pass
Location: Recorded with ZEN Mapping Application
Operator: Recorded with ZEN Mapping Application
Contractor: Recorded with ZEN Mapping Application
Rig Name: Recorded with ZEN Mapping Application
Job Number: Recorded with ZEN Mapping Application
Report Date: Recorded with ZEN Mapping Application
Spud Date: Recorded with ZEN Mapping Application
Logging Date: Recorded with ZEN Mapping Application
Logging Unit Number: Recorded with ZEN Mapping Application
Logging Engineer: Recorded with ZEN Mapping Application
Surface Coordinates: Recorded with ZEN Mapping Application
Bottom Hole Coordinates: Recorded with ZEN Mapping Application
Ground Elevation: Recorded with ZEN Mapping Application
Permanent Datum: Recorded with ZEN Mapping Application
Depth Measured From: Recorded with ZEN Mapping Application
Total Depth: Recorded with ZEN Mapping Application
Bit Size: Recorded with ZEN Mapping Application
Casing Program: Recorded with ZEN Mapping Application
Mud Type: Recorded with ZEN Mapping Application
Mud Weight: Recorded with ZEN Mapping Application
Viscosity: Recorded with ZEN Mapping Application
pH: Recorded with ZEN Mapping Application
Fluid Loss: Recorded with ZEN Mapping Application
Gas Readings: Recorded with ZEN Mapping Application
Lithology: Recorded with ZEN Mapping Application
Comments: Recorded with ZEN Mapping Application
Prepared By: Recorded with ZEN Mapping Application
Approved By: Recorded with ZEN Mapping Application
