

**Caerus Plateau Pipeline (near Mesa)
Spill/Release Point ID #454803**

Looking east-northeast, following the pipeline alignment

Looking southeast. Farm yard.

**Caerus Plateau Pipeline (near Mesa)
Spill/Release Point ID #454803**

Looking west. Pipeline comes down from this hill.

Looking northwest. An irrigation ditch runs in that direction.

**Caerus Plateau Pipeline (near Mesa)
Spill/Release Point ID #454803**

Looking northeast. A creek, tributary of Plateau Creek flows to the northwest behind the trees.

Another view. Trees follow the creek.

Caerus Plateau Pipeline (near Mesa) Spill/Release Point ID #454803

Excavation with hydrovac to expose the pipeline. The soil is composed of almost pure clay.

Hand auger used to take samples around the excavation, along the pipeline pathway (on both directions) and downgradient.
