COMMENTS

This form replaces Doc [#401554391]

This form applies to the Yosemite #1-3 well (05-073-06733). Requesting an exception to groundwater sampling requirements per statewide Rule 609.c.

There are two (2) permit locations noted on the COGCC GIS Online Interactive Map; however, based on field observations, only one (1) groundwater well has been constructed within one-half (1/2) mile of the proposed oil and gas well location. One (1) groundwater sample was collected from Permit #246846 on April 3, 2018. At that time, no other groundwater wells, including Permit #234919, were found.

There are three (3) water source exceptions requested per Rule 609.c.
