**General Comment:**

Reinspection-Cleanup update to 3/2018 spill (see attached photos). Even with recent rains in the area, not oil sheens were observed on the barrow ditch or on location. Oily stained soil stock pile was removed and berms rebuilt around tanks. Both CAs from inspection #688301467 were completed and the 19(S), #401616365, 5/17/2018 was closed.
