Comment:

This location is not in compliance with Rule 1004. The removal of all equipment has not been performed; a gas meter run is still present. There is an active remediation project open at the battery location. Operator shall comply with applicable Reclamation rules and regulations during the remediation process (i.e., weed and stormwater management). Upon approved closure of the remediation project, Operator shall comply with Rule 1004 standards. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct follow-up inspections prior to receiving said notice to ensure compliance with Rule 1004. Please refer to the attached inspection photos for more detail.

Corrective Action:

Comply with Rule 1004 to remove all remaining equipment. See COGCC comments.
