Inspection Photos
Operator: RITCHIE EXPLORATION INC - 74770
Location ID: 309602

Photo 1: Photo taken from the north end of the well location, facing south. Photo shows utility equipment related to the well remains on location.

Photo 2: Photo taken from the north end of the location, facing south. Photo shows access road remaining.

Photo 3: Current available aerial imagery (2017). Photo shows location of well and access road.

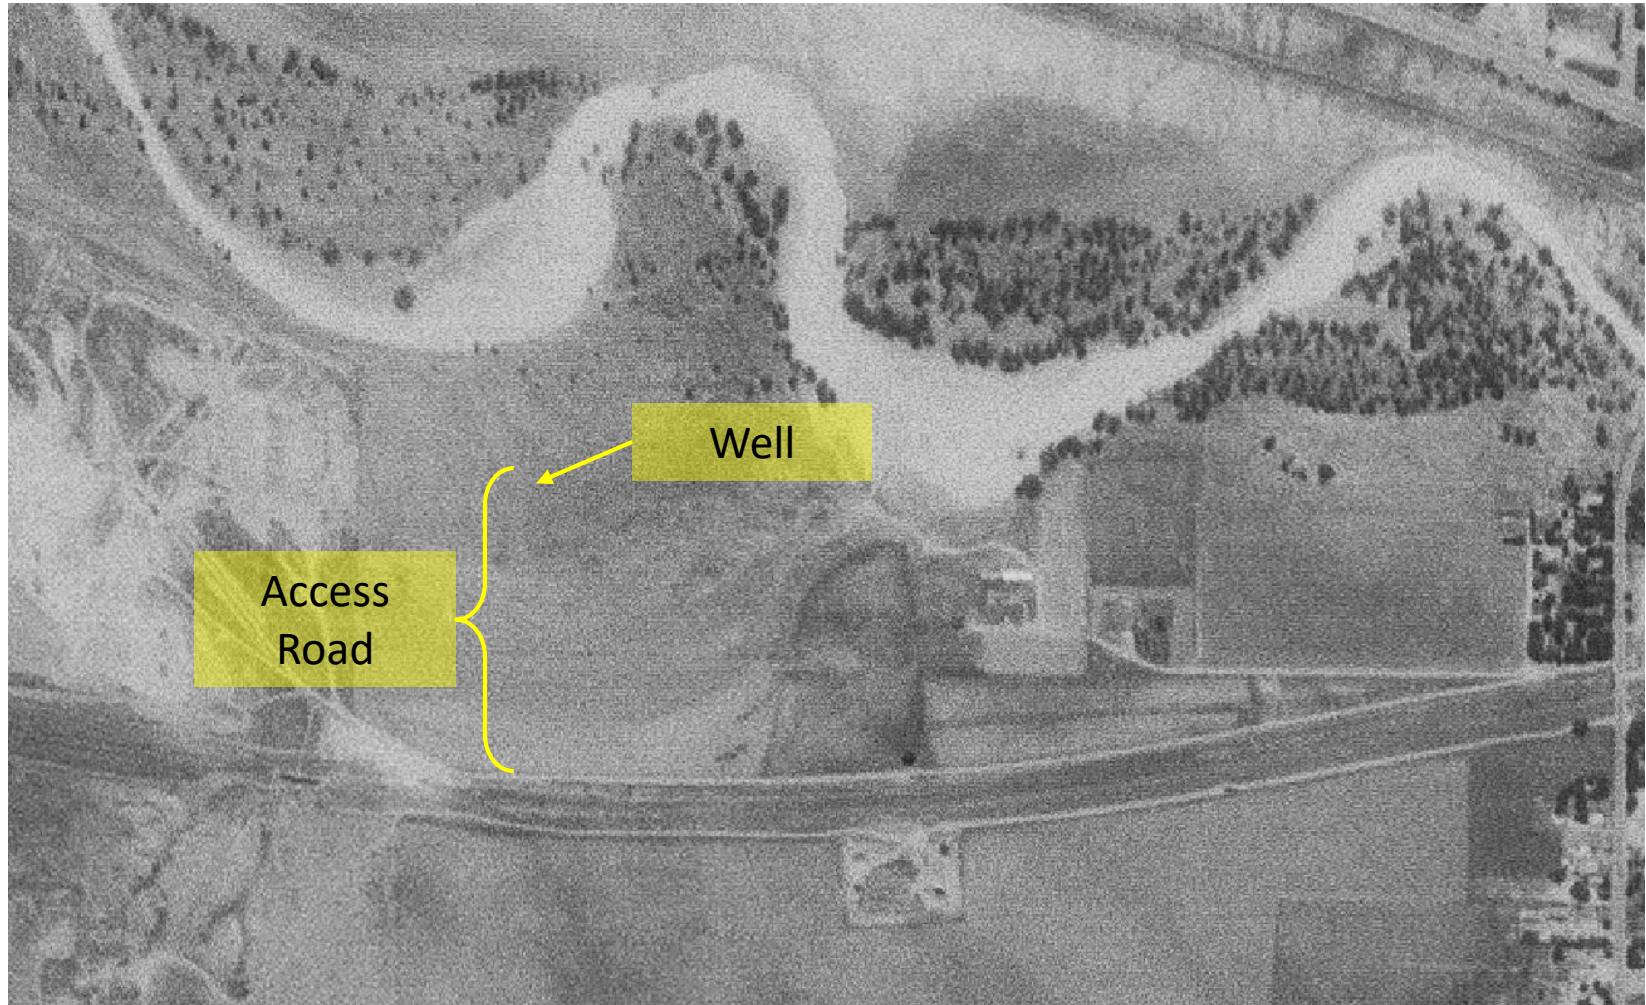

Photo 4: 1975 historic aerial imagery. Records show well was spud 1985. Photo shows access road did not pre-exist the oil and gas location, was constructed for the purpose of oil and gas access, and will require reclamation.
