CORRECTIVE ACTIONS:

1 CA# 116498

Corrective Action: Comply with Rule 1004 to remove all remaining equipment. See COGCC comments.

Date: 05/21/2018

Response: FACTUAL REVIEW REQUEST

Basis for Review: Corrective action dates are not attainable

Operator Comment: Noble will submit the name of the midstream company, but we are unable to submit this info by the corrective action date, as it is the same date that the inspection was submitted. We need time to identify the owner of the equipment in question.

COGCC Decision: Not Approved

COGCC Representative:	This request is being denied. This location is not in compliance with Rule 1004 and may be referred to Enforcement. Well was plugged 2/10/2017. All equipment should have been removed by 5/10/2017. The corrective date was not intended to be the date for which the Operator could potentially provide information regarding the equipment that remains at the location but rather the corrective date was the date the location was observed out of compliance. Operator is responsible for removing all equipment from the location per Rule 1004.
