**General Comment:**

This is a reclamation and good housekeeping inspection in response to a complaint.

Complainant contacted Reclamation staff on 6/12/2018 in regards to noxious weed concerns on Foundation Locations and submitted complaint doc. #200445970 stating that "Diffuse Knapweed has returned to both locations" on 6/13/2018. The locations in reference are the Krager Tank battery / well location and the SOONER SE SEC 21 TB location, both of which past complaints regarding noxious weed concerns (see inspection #682401201 and inspection #682401240).

On 6/13/2018 at 15:09, upon receiving a formal complaint, Reclamation Specialist Trujillo contacted complainant via phone to discuss concerns. Complainant stated that operator has failed to perform weed management, and weeds (Diffuse Knapweed) has continued to grow and spread from the location onto their property.

See "Good Housekeeping".
