

May 27, 1960

Marion Oil Company  
606 Mid-Continent Bldg.  
Tulsa, Oklahoma

Gentlemen:

According to our records, you plugged your Spotts well #1-A, C SE NE, Sec. 1, T-2N, R-52W, Washington County, Colorado, on February 23, 1959.

OGCC Form 5 for subject well, as received on May 25, 1960, indicates that you ran electric and micro logs, and that the well was cored.

Kindly submit copies of these logs and core analysis at your earliest convenience.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

---

A. J. Jersin, Director
