Subject: State Reportable Release

Good afternoon,

We had a state reportable release at the location noted below due to historical impacted soil discovered during plugging and abandonment activities at the tank battery. Excavation activities are ongoing at this time, and a Form 19 Release Report is forthcoming.

Please let know me if you have any questions.

Associated Well Names: Rocky Mountain Fuel CO E1/Frederick 15-30/Frederick 16-30
Location: NESE Sec 30-T2N-R67W
Tank Battery Facility ID - 239783

Thank you,

Greg L. Hamilton
