Dear Sirs:

With regard to the Reese #1 and Reese#2 wells located in NW SW and NE SW of Section 2, Township 2 North, Range 52 West, Washington County, Colorado, please find enclosed geologic reports on both wells by Donald S. Walker. These reports are the only available information that we were able to locate with regard to these wells. They should contain all information necessary to effect the release of both bonds that were put up by our company at the time of drilling permit.

*Need Plat for #1*
