General Comment:

On 7/17/2018, inspector was contacted by, and met with the tennant who farms the property. Tennant expressed concerns regarding crop loss believed to be related to the flowlines from Noble's "Doctor Joe" locations; This inspection is in response to a verbal complaint from the tennant regarding possible flowline issues

Please refer to "Equipment" section of this report. Any corrective action(s) from previous inspections that have not been addressed are still applicable.
