RE: Request for Consent to Plug Wells

Mr. & Mrs. Ross,

Bison Oil & Gas II, LLC ("Bison") is planning to drill wells on a pad location that Bison secured from Kenneth Hunt in Township 8 North, Range 60 West, Section 17, this fall. In anticipation for drilling, it is necessary and required by the COGCC that Bison plug old abandoned oil and gas wells within a certain proximity of the new wells that are to be drilled. There are two unmarked abandoned wells within the proximity threshold that need plugging on your lands; specifically, the Koop 1 and the Koop 1-A, both of which are in the SE/4NE/4 of Section 18, Township 8 North, Range 60 West.

Bison respectfully requests your surface owner's consent to plug both the Koop 1 and Koop 1-A wells located on the above described lands that you own. Please indicate your agreement and consent via signature below to Bison's plugging of the Koop 1 and Koop 1-A wells using the enclosed envelope at your earliest convenience.

Thank you for your immediate attention to this matter and should you have any questions, please do not hesitate to reach me at the undersigned.

Respectfully,

Troy Smith
