Comment: Reclaim access road. If access road is desired, then a variance must be obtained with signed approvals from all surface owners. If a variance is requested, then it must also be stabilized in a manner that will achieve long-term stabilization.

Corrective Action:

Date **10/31/2018**

Reclaim access road, or if a compelling reason to keep the road is provided and approved by surface owners, then a variance needs to be requested in accordance with COGCC rules.
