Basis for Review: Equipment belongs to the surface owner

Operator Comment:

Equipment along lease road is necessary for operations, continuing and future. This storage yard was organized and all scrap metal was removed in 2014. The remaining equipment will be kept at this location until it is deemed unnecessary by our company. The land and equipment is owned by Divide Creek Gathering, LLC. As was discussed in 2014, SG is still unaware of any jurisdiction COGCC has to conduct inspections of this storage area, or to enforce this corrective action.
