Hey Paul,

I'm not sure if you are able to receive water haul tickets from Amen or who they coordinated for water disposal. However, here is a breakdown of the groundwater removed from the Rider #1 facility: (day/amount removed/disposal facility/disposal company).

This may satisfy the State in terms of documentation. I would still seek to receive haul tickets, but if not, this is the same information:

8/20/18-130 bbls-NGL C9-EC Trucking (coordinated through Wright Choice)

8/21/18-260 bbls-NGL C9-EC Trucking

8/22/18-260 bbls-NGL C9-EC Trucking

8/23/18-260 bbls-NGL C9-EC Trucking

8/24/18-260 bbls-NGL C9-EC Trucking

8/27/18-260 bbls-NGL C9-EC Trucking

8/28/18-260 bbls-NGL C9-EC Trucking

Total of ~1,690 bbls to NGL C9

Let me know if you need any additional information.

Thanks,

Andrew
