**General Comment:**

This is a follow-up Final Reclamation Inspection to Document #682403048 for PA Well API #001-06713. Well was plugged and abandoned on 10/22/2016. Any corrective actions from previous inspections that have not been addressed are still applicable. Where corrective actions from the previous inspection report remain unresolved, corrective action dates remain unchanged.

This inspection is being entered for compliance notification and documentation purposes only. This inspection is not intended to provide the operator the opportunity to resolve the alleged violations; documented below, without the possible imposition of a penalty, pursuant to Rule 522.c.(1). Instead, Staff will be following up on this inspection with COGCC enforcement staff.

Comment: This location is not in compliance with Reclamation rules. Rule 1004.a. requires reclamation activities to be conducted within three months of plugging on cropland. Well was plugged 10/22/2016. All reclamation work should have been completed by 1/22/2017. Operator has failed to reclaim the access road and location per Rule 1004 and failed to respond to the previous corrective action inspection. Refer to the attached inspection photos for more detail.

Corrective Action:	Comply with Rule 1004 to perform reclamation as soon as practicable and immediately control weeds. Previous corrective actions remain unresolved; therefore, corrective action dates remain unchanged.	Date	07/31/2018
