

well file

July 29, 1959

Mr. Conley Cox  
P.O. Box 696  
Aztec, New Mexico

Dear Sir:

On April 9, 1959, we wrote you regarding disposition of some of your wells, and requested forms on some of your operations. No answer has been received to this letter.

I am writing a duplicate letter to the Honolulu Exploration & Drilling Corporation, covering operations in the Red Mesa area which I visited last week, since there has been a change of name on some of the wells from Conley Cox to the Honolulu Exploration & Drilling Corporation.

Listed below are the wells as identified on our township plats, with a statement of requirements of this office for each well:

Township 33 North, Range 12 West, N.M.P.M.

1. Conley Cox No. 1 Webber - NW NE, Sec. 13  
Last information was intention to drill  
approved October 27, 1958.  
Require: Disposition as to drilling; if not  
drilling, approval is voided.
2. Conley Cox No. 4-A Kroeger - SW SW, Sec. 26  
Intention to drill approved February 20, 1959  
Require: Possibility of future drilling. In-  
tention will be voided August 20, 1959

July 29, 1959

3,456. Conley Cox and Honolulu Exploration & Drilling Corp.

3. No. 1-A - NW NW, Section 35

Intention to drill approved August 22, 1958.

Form 10 approved March 13, 1959.

Require: Completion report and log.

4. Kroeger No. 2-A - SW NW, Section 35

Intention to Drill approved February 20, 1959

Require: Possibility of future drilling. In-  
tention will be voided August 20, 1959

5. Kroeger No. 3-A - NE NW, Section 35

Intention to drill approved February 20, 1959

Require: Possibility of future drilling. In-  
tention will be voided August 20, 1959

T33N R12W

6. Kroeger No. 1-B - SE SE, Section 33

Intention to drill approved February 20, 1959

Require: Possibility of future drilling. In-  
tention will be voided August 20, 1959

In addition to the above, please be advised that no production re-  
port has been received for May or June on the Kroeger and Kennedy leases,  
both of which reports are past due.

Your immediate attention is called to the above matters, and if no  
answer is received by August 12, 1959, we will take such action as may be  
deemed appropriate.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

William R. Smith, Senior Petroleum Engineer
