Attention: Mr. B. N. Collis

Gentlemen:

Reference is made to your Notice of Intention to Drill the Betty B. Newell No. 1-A in Section 8, Township 15 South, Range 57 West.

You state in your cover letter that the Betty B. Newell No. 1 was junked and abandoned. Our files do not include that information, and it will be necessary to submit a Sundry Notice Form No. 4, giving the information on that location before we can approve subject intention.

If immediate approval is necessary in order to move on and commence operations on the Betty B. Newell No. 1-A, may I recommend that you either call or wire us.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

William R. Smith, Chief Petroleum Engineer
