Dear Director Murphy,

Township 2 North, Range 68 West

Containing 640 acres, more or less for the Niobrara and Codell formations.

Crestone is not the only owner within the proposed spacing unit, and as such provided notice to the remaining owner(s) within said proposed spacing unit as required under COGCC Rule 318A.e(6). The required thirty (30) day notice period has been waived by the owner(s) within the proposed spacing unit for this well.

Thank you for your time and attention to this matter. Crestone respectfully requests that the COGCC review the enclosed information and approve the Application for Permit to Drill the captioned well.
