If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

18. Date of work _____

* Must be accompanied by a cement verification report.

The subject well was shut-in as of December 1, 1981, however, due to an oversight in this office, a Sundry Notice was not filed to advise of this change of status. The state reports have indicated the well as shut-in. The well remains in a temporarily abandoned status.
