Re: Colorado Oil and Gas Lease No. 55/279 - S $\frac{1}{2}$ SW $\frac{1}{4}$  16-2N-54W

Gentlemen:

We would like to be able to release the bond you posted on the above numbered lease covering your No. 1-16 State well. However, we have no log of the well as yet, and in contacting the Oil and Gas Conservation Commission we learn that the log has not been submitted to them. As you know, the log of the well on their Form 2 should be submitted in triplicate to them and one copy will be forwarded to us.

In order that this bond may be released we wish that you would attend to this matter at your early convenience.

Yours very truly,

STATE BOARD OF LAND COMMISSIONERS
