General Comment:

[ANY CORRECTIVE ACTION\(S\) FROM PREVIOUS INSPECTIONS THAT HAVE NOT BEEN ADDRESSED ARE STILL APPLICABLE](#)

[Inspection is Flowlines based](#)

[Operator contacted COGCC Engineering Integrity group and explained flowlines are being kept for potential future use and have been pressured tested annually. Lines will be pressured tested prior to being placed back in service. Lines at time of inspection have been tagged LOTO and capped off.](#)

[Operator has satisfied Corrective Actions for Flowlines issues in previous inspection](#)
