Dear Director Murphy,

Noble Energy, Inc. (Noble) is planning to drill the above referenced wells in accordance with the provisions set out in Colorado Oil and Gas Conservation Commission (COGCC) Rule 318A.e. and Noble's Final Comprehensive Drilling Plan. Noble's Proposed Spacing Unit consists of:

Township 3 North, Range 65 West  
Section 10: All  
Section 15: All  
Containing 1,280 acres, more or less

Noble is not the only owner within the Proposed Spacing Unit and has provided notice to the remaining owners, as required by COGCC Rule 318A.e.(6). Copies of the required notification letters are on file at Noble's office. The required thirty (30) day notice period has lapsed absent the receipt by Noble of any objection to their proposal by the owners within the Proposed Spacing Unit for the subject wells.

If you have any questions or issues, please do not hesitate to contact me at (303) 228-4209 or [Matthew.Otness@nblenergy.com](mailto:Matthew.Otness@nblenergy.com) should you have any questions.

Very truly yours,

NOBLE ENERGY, INC.
