Attention: Mr. B. Westaway

Gentlemen:

X With reference to your letter of August 1, 1960, regarding bonds of the Clayton Oil Company, for their Williams Well No. 1, located in the C NE $\frac{1}{4}$ NE $\frac{1}{4}$, Section 27, Township 2 North, Range 53 West, Washington County, and the Kugler No. 2 well, located in the C NW $\frac{1}{4}$ NE $\frac{1}{4}$, Section 11, Township 7 North, Range 58 West, Weld County.

Please be advised that the Williams well has been plugged, all requirements of this office have been met and the bond may be terminated as of this date.

The Kugler well was completed as a producing well and as such, the bond must be kept in force untill some future date.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO
