**COGCC Comments**

Comment	User	Date
<p>On November 7, 2018 COGCC Western Environmental Supervisor Alex Fischer, and EPS staff members Stan Spencer, Steven Arauza, and Jim Hughes conducted an environmental field inspection of the Berry Chevron O36B 596 Land Application Site, Facility ID #443325. For the most recent field inspection report of this facility, please refer to document #688800199. Berry representatives Derek Johnson and Don Wilbourn were on site during this inspection.</p> <p>Compliant material has been moved from the eastern portion of the location to the pit area, to allow for spreading of more material from the western edge of the location.</p> <p>Continue to remove liner pieces from land farm as they become exposed.</p> <p>Steel pipe joints observed in secondary containment berm during this inspection. If these are not necessary for operations at this location, they need to be removed.</p>	hughesjo	11/30/2018
