The surface locations of Extraction's proposed wells have been staked outside of the COGCC Rule 318A.a. Greater Wattenberg Area (GWA) Drilling Window. The surface owner has waived Rule 318A.a. in the SUA which is highlighted on p.4 of the SUA attached to the APD.

Extraction respectfully requests the COGCC to review the enclosed information and approve the requested exception location to Rule 318A.a. for the Applications for Permits to Drill for the wells on the subject pad. This is the best location for the wells since they will be on an existing location (#332837).

Sincerely,

Bonnie Lamond
