Dear Director Murphy:

Kerr-McGee hereby certifies that it has complied with the meeting requirements of Rule 306.e. A representative was available to meet with Building Unit Owners who received an OGLA Notice or Buffer Zone Notice pursuant to Rule 305.c and who requested a meeting regarding the proposed subject Oil and Gas Location. In compliance with Rule 306.b.(3), Kerr-McGee was also available to meet with such Building Unit owners if requested to do so by the Local Government Designee (LGD). No meetings were requested by Building Unit Owners or by the LGD. Our Stakeholder Relations department did speak with one Building Unit owner (also a mineral owner) on October 16, 2018 to answer general questions about the timing of mineral development.

Proof of receipt of the above-mentioned notices are available should you require it.

Sincerely,

Kerr-McGee Oil & Gas Onshore LP
