This is a follow up inspection on Doc#'s 688400304 and 677400210. All corrective actions have not been addressed. At approximately 11:45 I tried to call emergency contact number no answer and mail box was full. I also tried to call Kevin Nanke and no answer mailbox was full. At time of inspection well head was shut in and valves on meter to sales line was LOTO.	silverr	12/18/2018
