In addition, under the COGCC Rule 318A.c. any new Twinning well is to be located within 50 feet of an existing well. SRC's proposed wells are located greater than fifty feet from the nearest Oil & Gas well. SRC has obtained written permission from the surface owner by way of Surface Use Agreement (SUA) which has waivers for Rule 318A.a & 318A.c. See page 5, Section 6.A.

SRC respectfully requests the COGCC to review the enclosed information and approve the requested exception location and Application for Permit to Drill for the wells on the subject pad.
