Dear Mr. Fusselman:

Yesterday we sent you an approved copy of your Notice of Intention to Drill #2 Dillinger, NE $\frac{1}{4}$  10-7N-54W, in Pawnee Creek Field, Logan County, Colorado.

On checking the location we found that the footage given did not comply with regulations, and Mr. Volk called you and advised that the location as given could not be approved by the Commission.

Will you therefore please return the approved copy of the Notice which we forwarded to you.
