

June 17, 1952

Jack Herley Operations  
3040 Cherry Avenue  
Long Beach 7, California

Gentlemen:

We note that you are drilling a well in Sect. 36-5N-10W,  
Moffat County, Colorado.

A review of our files indicates that you have not filed  
a notice of intention to drill. We have sent you on May 16, 1952,  
the necessary forms for your oil activities in Colorado. You will  
note from the Rules that certain notices and reports are required.

In order to complete the records, we would appreciate your  
filing Notice of Intention to Drill, and thereafter, current  
progress reports on your operations.

Sincerely yours,

Director.
