

ASSIGNMENT, BILL OF SALE AND CONVEYANCE

Weld County, Colorado

KNOW ALL MEN BY THESE PRESENTS:

NOBLE ENERGY, INC., a Delaware corporation, and **NOBLE ENERGY WYCO, LLC**, a Delaware limited liability company, each of such entity's address being 1001 Noble Energy Way, Houston, Texas 77070 (collectively, "**Assignor**"), for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, do hereby GRANT, DEED, SELL, ASSIGN, TRANSFER, AND CONVEY, subject to the terms of the "Agreement", as defined below, and the exceptions and reservations and the terms and provisions herein contained, to **SRC ENERGY INC.**, a Colorado corporation, whose address is 1675 Broadway, Ste 2600, Denver, CO 80202 ("**Assignee**"), the entirety of Assignor's right, title and interest, including all rights, estates, powers and privileges appurtenant thereto in and to the following described assets and interests (collectively, the "**Second Closing Assets**"):

(a) Subject to Section 10.21 of the Agreement, the wellbores of all Hydrocarbon wells that are set forth on Exhibit A-2, Part 2, whether producing or non-producing (the "**Consent Decree Wells**"), and the wellbores of all Hydrocarbon wells that are set forth on Exhibit A-2, Part 3, whether producing or non-producing (the "**Non-Consent Decree Wells**" and, together with the Consent Decree Wells, the "**Second Closing Wells**"), and any associated lateral pipelines listed on Exhibit A-2, Part 2 or Exhibit A-2, Part 3, to the extent, and only to the extent, necessary to own, operate and produce Hydrocarbons from the Second Closing Wells, (together with the Second Closing Wells, the "**Second Closing Properties**");

(b) all Hydrocarbons (or the proceeds from the sale of Hydrocarbons for which no adjustment is made to the Second Closing Base Purchase Price under Section 3.2 of the Agreement) in, on, or under, or that may be produced from, the Lands through the wellbores of the Second Closing Wells on or after the Effective Time, all Hydrocarbon inventories from or attributable to the Lands through the wellbores of the Second Closing Wells in storage on the Effective Time, and all Hydrocarbons attributable to make-up rights and obligations with respect to imbalances attributable to the Second Closing Wells;

(c) all owned and leasehold interests in Equipment and Operating Inventory located on the Lands as of the Execution Date in connection with Operations applicable to the Second Closing Properties, together with any additional Equipment and Operating Inventory located on the Lands or held for use as of the Second Closing Date in connection with Operations applicable to the Second Closing Properties (but excluding in all cases the Excluded Assets);

(d) all Easements that are used or useful as of the Effective Time in connection with the Operations applicable to the Second Closing Properties, including the Easements listed on Exhibit A-3;

(e) all transferable Permits that have been granted or issued as of the Second Closing Date in connection with the Operations applicable to the Second Closing Properties;

(f) to the extent transferable, all Hydrocarbon sales, purchase, gathering, and processing contracts, operating agreements, balancing agreements, joint venture agreements, partnership agreements, farmout and farmin agreements, area of mutual interest agreements, contribution agreements, and other contracts and agreements in connection with the Operations on the Second Closing Assets to which Assignor is a party or which bind the Second Closing Assets (to the extent applicable to Second Closing Assets, the “**Second Closing Assets Contracts**”); including the contracts and agreements listed on Exhibit A-6 (the “**Material Second Closing Assets Contracts**”); *provided, however*, that the Second Closing Assets Contracts shall not include any proprietary or unrecorded agreements by which Assignor acquired its interest in the Second Closing Assets, in each case to the extent, and only to the extent, such Second Closing Assets Contracts do not relate to or burden the Second Closing Wells;

(g) the interests in surface real property and leasehold estates in surface real property used or held for use (or could be used or held for use) in connection with the ownership or operation of the Second Closing Assets, including those interests listed on Exhibit A-5, which Exhibit A-5 indicates whether each such parcel of real estate is owned or leased by Assignor;

(h) to the extent transferable without (i) payment of a transfer, licensing or similar fee, penalty or other consideration under third party agreements not advanced or reimbursed by Assignee or (ii) Assignor or Assignee obtaining any third party consent; a non-exclusive, non-transferable license to receive copies of all Technical Data with respect to the Second Closing Assets (the “**Second Closing Assets Data**”); *provided, however*, that Assignee shall have the option (exercisable upon written notice to Assignor) to elect any transfer, or fees, costs, and expenses associated with the assignment or transfer to Assignee of any such Second Closing Assets Data;

(i) except to the extent relating to the Excluded Assets, and except for Claims, payments, and proceeds under insurance policies (the proceeds of which are not transferred in connection with any Casualty Losses that are covered under Section 10.11 of the Agreement), all rights to payment arising out of or attributable to the Second Closing Properties accruing or attributable to any period after the Effective Time, and all rights, Claims, refunds, causes of action, or choses in action relating to the foregoing;

(j) to the extent transferable and not related to or arising out of, or covering any of the Excluded Assets or relating to matters for which Assignor has agreed to indemnify, defend or hold harmless the Indemnified Purchaser Parties under the Agreement, all warranties, and rights to indemnification and defenses with respect to the Second Closing Assets described in Section (a) through (i); and

(k) to the extent transferable, all Records to the extent relating to the Second Closing Assets described in Section (a) through (j) or the Operations applicable to the

Second Closing Properties maintained by or in the possession of Assignor or any of its Affiliates (the “**Second Closing Assets Records**”).

Notwithstanding anything to the contrary contained herein, Assignor hereby excepts, excludes and reserves from the grant and conveyance described herein, unto themselves and their successors and assignees, the entirety of Assignor’s right, title and interest, including all rights, estates, powers and privileges appurtenant thereto, in and to the following (“**Excluded Assets**”):

(a) all accounts receivable or rights to payment, refund, or indemnity accruing or attributable to any period before the Effective Time, including the right to any payments with respect to any Royalties, the full benefit of all Liens, security for such accounts or rights to payment accruing or attributable to any period before the Effective Time or that include or relate to any of the Retained Liabilities, and all rights, Claims, refunds, causes of action, or choses in action relating to the foregoing, except in each case with respect to Asset Taxes for which Assignee is responsible under Section 15.1 of the Agreement;

(b) all production of Hydrocarbons from or attributable to the Second Closing Properties with respect to any period before the Effective Time, other than Hydrocarbons in storage on the Effective Time and make-up Hydrocarbon with respect to imbalances described in Section 2.3(d) of the Agreement, and any proceeds attributable to any such pre-Effective Time production for which no adjustment is made to the Base Purchase Price under Section 3.2 of the Agreement, and all rights, Claims, refunds, causes of action, or choses in action relating to such production or proceeds;

(c) except as contemplated in Section 10.11 of the Agreement in respect of Casualty Losses, all insurance policies, and any Claims, payments, and proceeds under any such insurance policies;

(d) all Hedging Instruments and any rights under any such Hedging Instruments;

(e) all deposits, surety bonds, rights under any letters of credit, and collateral pledged to secure any Liability or obligation of Assignor in respect of the Second Closing Assets;

(f) all rights or interest of Assignor in any Intellectual Property;

(g) all information entitled to legal privilege, including attorney work product and attorney-client communications (excluding title opinions and reports), and information relating to the Excluded Assets;

(h) Assignor’s or its Affiliates’ studies related to reserve assessments and economic estimates and analyses;

(i) records relating to the auction, marketing, acquisition or disposition agreements (or proposed acquisition or disposition) of the Second Closing Assets, including the existence, identity and inquiries and proposals received from or made to, and records of negotiation with, any Person, and any economic analyses associated therewith, but

excluding rights under confidentiality, non-disclosure and similar agreements related to the foregoing (which shall be Second Closing Assets to the extent transferable);

(j) any assets and properties of Assignor specifically listed in Exhibit B regardless that such assets and properties may be used or held for use in connection with the Second Closing Assets;

(k) all proceeds from the settlement or disposition of any Claims, Proceedings, or disputes to the extent such proceeds relate to the other Excluded Assets or the Retained Liabilities;

(l) to the extent relating to the other Excluded Assets or relating to matters for which Assignee has agreed to indemnify the Indemnified Purchaser Parties under the Agreement or relating to any of the Retained Liabilities, all warranties and rights to indemnification;

(m) audit rights under operating agreements or other contracts or agreements with respect to periods before the Effective Time or in connection with any other Excluded Assets or matters for which Assignee has agreed to indemnify the Indemnified Purchaser Parties under the Agreement or relate to any of the Retained Liabilities (and Assignee will cooperate with Assignor to facilitate Assignor's exercise of such rights);

(n) all fee Hydrocarbon and mineral interests, Royalties, non-participating royalty interests, and other interests burdening the Second Closing Properties;

(o) all rights, Claims, refunds, causes of action, or choses in action of Assignor (i) under the Transaction Documents, (ii) arising out of or relating to any of the other Excluded Assets, the Retained Liabilities or any other matters for which Assignor is obligated under the Agreement to indemnify any Person, or (iii) attributable to Title Defects or Environmental Defects to the extent the Base Purchase Price has been reduced as a result of such Title Defect or Environmental Defect;

(p) corporate, financial, Tax and legal data and records of Assignor that relate primarily to Assignor's business generally (whether or not relating to the Second Closing Assets), or to businesses of each Assignor and any Affiliate of any Assignor other than the exploration and production of Hydrocarbons (but excluding any financial information or records provided by Assignor to Assignee in accordance with Section 10.20 of the Agreement);

(q) ownership of all Technical Data and any and all interpretive data and analysis of any of the foregoing;

(r) any Tax refund (whether by payment, credit, offset or otherwise, and together with any interest thereon) in respect of any Seller Taxes;

(s) all personal property of Assignor or any Affiliates of Assignor that is not included within the definition of "Second Closing Assets", including all vehicles, personal

computers and associated peripherals, licensed software, all radio (excluding SCADA equipment), cell phones and telephone equipment;

(t) all real property, personal property and leasehold interests of Assignor or any Affiliates of Assignor not included in the definition of “Second Closing Assets”;

(u) all right, title and interest in any Acquired Contracts to the extent and only to the extent such Acquired Contracts relate to any real property, personal property and leasehold interests of Assignor or any Affiliate of Assignor not included in the definition of “Second Closing Assets”; and

(v) all assets specifically excluded from the Agreement pursuant to Sections 6.1(b)(ii), 6.5(d), 10.9(c), 10.10(c), and 10.21 or any other provision of the Agreement.

Assignor and Assignee also agree to the additional following terms and conditions:

1. This Assignment, Bill of Sale and Conveyance (“**Assignment**”) shall be effective as of September 1, 2018, at 12:01 a.m., Denver, Colorado time (the “**Effective Time**”) and shall be subject to the terms and conditions of that certain Purchase and Sale Agreement dated November 7, 2017, between Assignor and Assignee (as amended, the “**Agreement**”), which terms and conditions are incorporated herein by reference. If there is any conflict between the terms of this Assignment and the terms of the Agreement, the Agreement shall control in all respects and shall not merge into the terms of this Assignment. Capitalized terms used in this Assignment that are not otherwise defined herein or on Appendix I shall have the respective meanings given to them in the Agreement.
2. Except as set forth in the Agreement, Assignor makes no warranty, express, implied or statutory, as to any of the rights, titles or interests hereby conveyed, and all such rights, titles or interests are sold to and accepted by Assignee “as-is” and “where-is” with all defects and faults, if any, except that other than any Permitted Liens, Assignor warrants title to the Second Closing Assets against all persons lawfully claiming the same, or any part thereof, by, through or under Assignor, but not otherwise.
3. Subject to Section 17.16 of the Agreement, Assignee hereby assumes and agrees to timely and fully pay, perform, and otherwise discharge, the Assumed Liabilities to be assumed by Assignee at the Second Closing, under the terms of, and subject to the conditions in, the Agreement.
4. Separate governmental forms of assignments may be executed on officially approved forms by Assignor and Assignee, in sufficient counterparts to satisfy applicable statutory and regulatory requirements. Those assignments shall be deemed to contain all of the exceptions, reservations, warranties, rights, titles, powers and privileges set forth herein as fully as though they were set forth in each such assignment. The interests conveyed by such separate assignments are the same, and not in addition to the interests conveyed by this Assignment and are not intended to modify, and shall not modify, any of the terms, covenants and conditions or limitations on warranties set forth in this Assignment and are not intended to create, and shall not create, any representations, warranties or additional covenants of or by Assignor to Assignee.

5. This Assignment and all rights and covenants in connection herewith shall be binding upon the parties hereto, and their respective heirs, successors, and assigns, and the covenants hereof shall run with the Second Closing Assets. This Assignment is intended to be recorded and filed of record.

6. This Assignment may be executed and delivered in one or more counterparts, each of which when executed and delivered shall be an original, and all of which when executed shall constitute one and the same instrument.

7. To the extent permitted by Law, Assignee shall be subrogated to Assignor's rights in and to representations, warranties and covenants given by others with respect to the Second Closing Assets, and Assignor hereby grants and transfers to Assignee, its successors and assigns, to the extent so transferable and permitted by Law, the benefit of and the right to enforce the covenants, representations and warranties, if any, which Assignor is entitled to enforce with respect to the Second Closing Assets.

8. Assignor agrees to execute and deliver to Assignee, from time to time, such other and additional instruments, notices, and other documents, and to do all such other and further acts and things as may be necessary to more fully and effectively grant, convey and assign to Assignee the Second Closing Assets.
