Date of work completion:	8/13/2018
Well Name	Richardson E1
Select State	Colorado
Work type	COGCC Inspection
Inspection Number	685305094

## Action Completed:

The diversion ditch/berm at the base of the slope was rebuilt and a rock run-down was built from its south outlet down to the access road bar ditch. Rebuilt two rock run-downs on the east fill slope. Repaired access road erosion, reseeded all disturbed areas and removed miscellaneous trash and debris.

## Repair berm

## Installed Rock Rundown

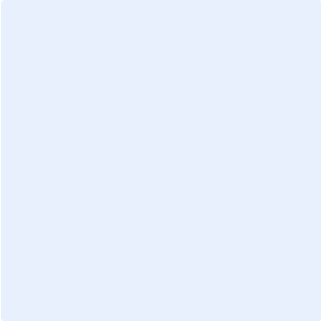

## Installed Rock Rundown

## Installed Rock Rundown
