Response: FACTUAL REVIEW REQUEST

Operator  
Comment:

This Corrective Action is problematic for two reasons:  
1) The roadway is NOT out of compliance with COGCC code 604.C.E and/or 604.C.S. The tracks identified in the photo accompanying the inspection demonstrate the the road is usable by water trucks. The road will be monitored for drivability after the winter season.

2) The Corrective Action Date is not attainable, road maintenance is typically conducted later in the season in coordination with Storm Water oversight.
