COMMENTS

A review of the data on the COGCC website and contact with water well owners in the area indicates there are no water sources available for sampling. Wells within sampling range are owned by Riverside Reservoir and Land Company and Riverside Irrigation District. I spoke with Don Snider, who is a contact for both companies, and he indicated no wells are currently available for sampling, and none will be in operation until summer. Please see attached map for reference. This sundry is for all wells on location #454815 API #'s: 123-46726, 123-46727, 123-46728, 123-46729, 123-46730, and 123-46731
