RE: **Operator Certification – Rule 306.e.(5)**

**Rio LC Pad
NWNW Section 6, Township 1S, Range 67W**

Dear Director:

Great Western Operating Company, LLC hereby certifies to the Director that compliance to Rule 306.e.(5) has been accomplished.

1. The pre-application notification, Rule 305.a.(2) was sent to the Building Unit owner on 08/21/2018
2. The OGLA notification, Rule 305.c.(1) was sent to the building unit owner/ surface owner: 8/21/2018
3. The Buffer Zone notification, Rule 305.c.(2) was sent to the building unit owner on 11/5/2018
4. Comments provided to the COGCC, LGD or Operator: We had an individual make a comment with a concern about the location of the pad. We resolved the issue by inviting them to our neighborhood meeting in order to discuss their concerns and get any questions answered by our staff in attendance. The individual did not attend.
5. Meetings requested and documentation: On Wednesday, December 12th, we held a neighborhood meeting for all individuals within ½ a mile of location. We had several disciplines within the company attend and were available to answer any questions and concerns from anyone who attended the meeting.

Great Western Operating Company, LLC, respectfully certifies that we have complied with Rule 306.e.

Respectfully,

Linsey Jones
