<p>COGCC Inspection Report Summary                      On Monday March 18, 2019 at approximately 0111 hrs., I Randy Silver, conducted an on-site inspection a KP Kauffman Company Inc. site Cosslett #2, API# 123-08098 in Weld county Colorado.                      While there, I observed production well.                      During this inspection the following possible compliance issues were observed:                      Stained soil" Rule 907 E CAD of 4-18-19 See photo 2                      Mechanical issues: rule 605 d CAD of 4-18-19 See photo 2</p> <p>I spoke with Kevin Graff Anadarko Forman while I was on location. He provided me with 1-Call ticket #A905902255 for his operation around Cosslett #2 location.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	silverr	03/18/2019
