Tanks need contents and quantity labels.

Tank valve
is leaking.

A photograph showing a large, dark, irregular hole dug into the ground. The hole is surrounded by light-colored sand and small, smooth, rounded stones. To the left of the hole, the ground is covered in dry, cracked mud. The scene is brightly lit, with strong shadows cast across the sand. The text "Large animal hole inside berms on east side of crude oil tanks)." is overlaid in the upper right corner. The date "04.04.2019" is printed in orange in the bottom right corner.
