Attention of Miss Leona Doucette

Gentlemen:

In response to your request regarding the above well:

1. The well has not been drilled.

It is our intention to go ahead with the well when weather permits. In the event this well is not commenced within 180 days from the date of application to drill, ie. March 19, 1959, please advise if it will be necessary to replace the bond as well as file a new Notice of Intention to Drill.

Thank you.

Very truly yours,

OCCIDENTAL PETROLEUM CORPORATION
