General Comment:

This is a follow up environmental inspection to document status of drilling pits. Pits were documents as still open on previous COGCC Inspection 689900462. Photos attached to document site status at the time of inspection.

No corrective actions from previous COGCC inspection have been performed.

Corrective action dates from COGCC Inspection 689900462 remain in effect. This inspection is being entered for notification and documentation only and is not intended to provide the Operator the opportunity to resolve the alleged violations without the imposition of a penalty, pursuant to Rule 522.c. The corrective actions need to be performed immediately.
