<p>COGCC Inspection Report Summary On Wednesday April 10, 2019 at approximately 0900I, Inspector Justin Medina conducted an on-site inspection at Mcconahay 33-34 KPK at 123-13285 in Weld County Colorado. While there, I observed producing well. This is a follow up inspection from document # 688400129 During this inspection the following possible compliance issues were observed: 1 unmarked deadman on location see pic 7. Mark guy line anchor 4/26/2018 Other CA from previous inspection appear to be addressed. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. At time of inspection weather may have distorted perception of soil on ground. This is a summary of inspection report. Continuing Education Inspection</p>	medinaj	04/10/2019
