**Inspection Photos**  
**Location Name: KERR MCGEE /1N66W13**  
**Location ID: 305428**

**Photo 1.** Photo taken from the access road off CR 8, facing Northeast. Appears Operator has performed final reclamation activities at the access road and facility with the evidence of drill rows, straw crimped mulch and some revegetation. However, parts of the reclamation is not at percent cover and has non-uniform establishment of vegetation cover.

**Photo 2.** Photo taken from the existing land owner access road looking towards the location, facing North. Appears Operator has performed final reclamation activities at the location and northern part of the access road with the evidence of drill rows matching the adjacent cropland.
