**General Comment:**

This is a follow-up interim reclamation and stormwater inspection.

This inspection is to document compliance for the following corrective actions:

603.f: Remove equipment not needed for production activities stored on pad and interim areas by 02/01/2019

Operator has failed to comply with Rules 603.f and corrective actions. See the "reclamation" and "stormwater" sections of this report. Location is being referred for enforcement.

Corrective action(s) from previous inspections that have not been addressed are still applicable.
