General Comment:

COGCC Inspection Report Summary.

On 4/22/2019 at approximately 14:30, inspector Rick Moran, conducted a follow up inspection at Maralex Resources well Trail Canyon 36-3 in Rio Blanco county.

While there I conducted a follow up inspection of FIR documents:

- 1) 673500327 from 1/2/2014
- 2) 679701464 from 10/24/2018
- 3) 679702699 from 1/18/2019
- 4) 679703372 from 3/14/2019

During this inspection the following possible compliance issues were observed as uncompleted from those inspections:

- 1) Acquiring a current MIT.
- 2) Incomplete tank label.

Warning letter 401499076 issued 1/2/2018 in reference to an MIT.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report 679703828.
