**COGCC Comments**

Comment	User	Date
<p>COGCC Inspection Report Summary                      On Tuesday, May 07, 2019 at approximately 12:35, I, Inspector Brittani Santistevan, conducted an on-site inspection at DINNER 14-34,35 (Noble Energy), at location #: 305546 in WELD COUNTY Colorado.                      While there, I observed shut-in location.                      During this inspection the following possible compliance issues were observed:                      1. Trash inside fencing of DINNER 14-35. Comply with Rule 603.f . (CORRECTIVE ACTION DATE: MAY 17, 2019) See attached photo #1 (DINNER 14-35).                      2. Capacity of produced water tank is not on sign. Install sign to comply with Rule 210.d. (CORRECTIVE ACTION DATE: JUNE 7, 2019) See attached photo #2 (DINNER 14-35).                       A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	santistb	05/07/2019
